

BILLING SERVICES

Experienced, Professional Billing Staff

Our professional managers and billing staff have over 200 years combined experience in the home care industry. This experience provides a vital tool to increase cash flow and reduce accounts receivable.

Extensive Month End Statistical Reports

Regardless of your billing software, we provide a month end reporting package with the information necessary to effectively manage your agency.

No Down Time or Turnover Cost

Though not a direct expense, down time and turnover can cost an agency thousands of dollars in lost revenue and increased costs every year. Because we have a large cross-trained staff you can avoid this risk to your bottom-line.

And Much Much More

There are extensive benefits to outsourcing with HCS. To see how a customized billing program can work for you, call us today or visit us on the web at hcstrategies.com.
