

SUPPORT SERVICES

Home Care agency personnel often have overwhelming demands on their time. HealthCare Strategies' team of dedicated professionals provide support services that augment your staff's efforts to ensure the agency functions effectively. Our support services menu includes operational, clinical, and financial options designed to maximize efficiency while focusing on your agency's financial health.

Call today to learn more about these and other services:

- Analysis of operational process, with development of workflow and agency forms to maximize staff efficiency and patient outcomes
- Ensure regulatory compliance
- Verify accuracy of coding and documentation
- Assist with problem areas such as ADRs, downcoding, denials and ALJ hearings
- Perform mock JCAHO, CHAP and State surveys to assess readiness
- Conduct education sessions and staff in-services
- Review and aid in the development of agency action plans with OASIS, OBQI, and OBQM.
- Strategic and financial planning and assessments
- Aid in establishing agency benchmarks including HHRG, length of stay and revenue analysis
